STRAIGHT TALK

Are you doing Eat Out to Help Out?

Hell yes - 50% off all food and soft drinks and from multiple /micro restaurants

Is alcohol 50% off on Mondays too?

No - food and soft drinks only, which means more to spend on booze if that's your thing

Why can't we have a group of more than SIX sitting together?

We are following government recommendations of no groups larger than six for now

Can we extend our table booking?

All our table bookings are for 1.5 hours, however we have standing tables outside, if you would like to finish your drinks there?

STRAIGHT TALK

Still talking...

Can we set up a tab on our table?

We are not doing tabs yet, but you can order drinks and food from the Good Eats app, by scanning the QR code on your table

Can I reserve tables or hire any of the spaces for a private party?

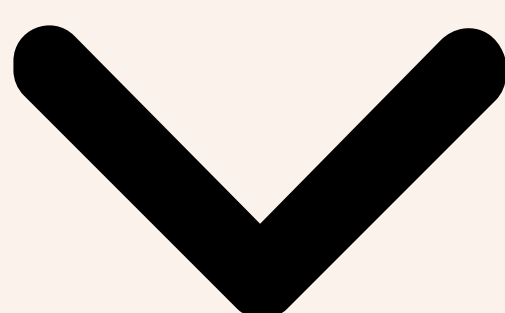

Yes! Please email Jenna, our Reservations
